

MEDIA RELEASE**Partnering with Government in new Melbourne Bus Contracts****Date: 3 April 2018**

CDC Victoria, a subsidiary of ComfortDelGro, one of the largest land transport companies in the world, will continue to operate its existing bus networks in Melbourne, after signing new ten-year contracts with Public Transport Victoria.

“We’re looking forward to a productive and long term relationship with the Government to deliver better bus services in the communities that we serve,” said Nick Yap, CEO of CDC Victoria. “This includes servicing the fast-growing City of Wyndham where we have recently invested AUD15million to build a new modern facility equipped to serve the ever expanding population in the West.”

CDC Victoria began providing bus services in 2009 and currently provides services to passengers in the inner-east and western suburbs of Melbourne, as well as to the people of the Greater Cities of Ballarat and Geelong.
