Who we are:

CDC Victoria is one of the **largest bus operators** in Victoria.

CDC Victoria via its depots in Altona, Werribee, Sunshine, Oakleigh, Geelong and Ballarat is committed to providing essential bus transport across Melbourne and the Greater Cities of Ballarat and Geelong.

We operate from **multiple depots**, consisting of a fleet of 440 buses and coaches, and over 650 drivers.

CDC Victoria is a key provider of **essential bus services** that enable over twelve million commuter trips each year.

12 million trips

650 drivers 440 buses

We provide **charter solutions** for thousands of patrons annually including schools, community groups, charities, sporting clubs and corporate groups.

We are committed to **servicing our community** and forming lasting relationships with our various community partners across the Western and Eastern suburbs of Melbourne, and the Greater Cities of Ballarat and Geelong.

CDC Victoria is proud to offer specialised, local charter services to the community of Melbourne and outer metropolitan region.

We are a reputable bus operator with a wealth of knowledge and experience in the transport industry.

Our charter services are flexible and our helpful staff are always on

hand to customise packages to best suit your individual needs.

Whether for school excursions or camps, social or corporate events or special functions, you can be assured of superior and reliable service from us. Just call today for more information or to book a bus.

Our customers are our No. 1 priority

Reliable charter solutions

Exceptional customer service and friendly staff

Our parent company:

CDC is a joint venture between the International Singapore transport giant Comfort DelGro and Cabcharge Australia Ltd.

ComfortDelGro is one of the largest land transport companies worldwide, operating in seven countries with a fleet of 46,000 vehicles.

ComfortDelGro's businesses include bus, taxi, rail, car rental and leasing, automotive engineering and testing services, driving centre, insurance broking services and outdoor advertising.

The Group's operations currently extend from the United Kingdom and Ireland to Singapore, Australia, Vietnam, Malaysia, as well as across 11 cities in China.

Our values: **Our SPaRCQ values are the core of what we believe in.**

Safety

The health and safety of our team, customers and the community is top priority.

Reliability

Our customers can rely on us to deliver excellent service quality and recognise us as industry leaders.

Quality

Our outstanding service delivers premium value to our customers and clients, as we strive to improve all that we do.

Passion

Commitment to superior customer service, operational excellence, community engagement, and providing high shareholder value.

Community

We take pride in providing a unique offering by being an economic, community driven social asset to everywhere we do business.

Our partners:

Werribee Football Club

CDC Victoria is Werribee Football Club's (WFC) official Community Partner, supporting WFC's community engagement initiatives.

Brotherhood of St Laurence

Through fundraising initiatives and equipment donations - such as the One-Stop Mobile Career Bus - CDC Victoria supports our official Charity Partner, the Brotherhood of St Lawrence.

Brotherhood of St Laurence

The Victorian Maori Wardens Inc (VMWI)

CDC Victoria's partnership with the VMWI, with the support of Public Transport Victoria, aims to provide guidance and leadership to Maori youth. Their work involves uniformed patrol of CDC buses to engage with youth groups in order to promote good behaviour on board our buses.

The Western Bulldogs

CDC Victoria is a proud community partner of the Western Bulldogs, and in particular The Whitten Project.

This unique education program provides opportunities for young aspiring leaders to develop civic and employability skills as well as promoting good behaviour within our community.

Western Chances

Western Chances raises nearly \$1 million a year to help talented and motivated young people across Melbourne's west, by funding the purchase of textbooks, tuition fees, maths calculators and internet access.

CDC Victoria contributes by funding myki cards for scholars in need - one of the most requested items by students.

Victoria University

CDC Victoria is the proud sponsor of the CDC Victoria

Achievement Scholarships, which offer strong educational support to enable students at Victoria University in need to achieve their goals and make a difference in society.
